1:50 Cat® 352 Next Generation Excavator

Introducing our newest 1:50 scale diecast model replica of the Cat® 352 Next Generation Excavator. Designed to impress model enthusiasts and collectors alike, this authentic and detailed replica represents the powerful performance and advanced technology of the real excavator.

The Cat® 352 gives you the power and durability to tackle big jobs. It offers premium performance and simple-to-use technologies like Cat Grade with 2D, Grade Assist, and Payload all standard equipment from the factory to help boost your operator efficiencies. The 9.8 mt (21,605 lb) counterweight enables the excavator to be more stable and productive with large work tools. Extended and synchronized maintenance intervals and low fuel consumption help you cut costs without sacrificing production.
