1:50 Cat® 374 Hydraulic Excavator

Introducing the meticulously crafted 1:50 scale diecast model of the Cat® 374 Hydraulic Excavator. This highly detailed model replica captures the powerful design and robust features of the actual construction machinery. Perfect for display, or a high-quality customer gift, this model is a great addition to any collection.

The new Cat® 374 Hydraulic Excavator represents the pinnacle of heavy-duty performance and advanced engineering. No matter how hard the work, the Cat® 374 Excavator is built to do it. Three modes of operation, Power, Smart, and Eco, help operators reduce fuel consumption and optimize performance. Built for durability, the 374 is structurally sound with reinforced track rollers, booms, sticks, upper and lower frames. Designed for large-scale construction, mining, and infrastructure projects, the 374 delivers exceptional power, efficiency, and reliability.
