1:50 Cat® 775 Off-Highway Truck

Cat® 775 is recognized for its combination of power, efficiency, and rugged build quality, making it a staple in mining operations worldwide. Features a high-efficiency engine for powerful performance and fuel economy. It has a substantial payload capacity which enhances productivity by allowing it to carry large amounts of material in a single trip. Built with strong structural components designed to withstand harsh mining conditions and extend the lifespan of the truck. Cat® 775 includes a spacious, comfortable cab for improved operator safety and equipped with advanced technology for real-time monitoring and reduced downtime.
